

Lingerie: A Modern Guide (Hardback)

By Lesley Scott

Chartwell Books, 2010. Hardback. Condition: New. Language: English . Brand New Book. Covering the fun, often deliciously risqué, history of lingerie, you ll meet the first innerwear-as-outerwear model (a 5000 year old Snake Goddess in a corset!), take a peek beneath the astounding 11 pounds of underpinnings worn by our Victorian sisters, and discover the special sewing secret behind the military-inspired bullet bras of the 1940s and 50s. You ll also see how, in more recent times, Madonna has manipulated the power of underwear to maximum effect. Clad in crinolines and bustiers, she channeled one pan 50s prom queen, one pan Marilyn, and just enough SM spice to bring lingerie out in the open, helping to launch the innerwear-as-outerwear phenomenon that is such a staple of today s music and fashion. With its engaging combination of alluring images, fascinating history, and modern musings, Lingerie: a Modern Guide is your one-stop guide to the shapewear that has shaped the world.
