Reviews

Basically no phrases to clarify. It really is rally fascinating throug reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Anabel Zemlak)

SACRED SPACE: ENHANCING THE ENERGY OF YOUR HOME AND OFFICE (PAPERBACK)

Ebury Publishing, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Our homes are mirrors of ourselves. Through them we can interface with the universe. Everything in the universe is composed of constantly changing energy, including our homes and their contents. By clearing and enhancing this energy, we can turn our living spaces not only into sanctuaries for ourselves but also into places which radiate positive energy for the benefit of others. In this fascinating and unusual book, international lecturer and healer Denise Linn shows how we can infuse our homes (and offices) with a sense of cosmic order so they become nurturing centres of strength and health. Drawing upon her Cherokee Indian heritage, as well as the knowledge she has personally collected from the native traditions around the world, Denise offers simple but effective techniques including how to use: --Feng Shui --Spirit Smoke --Purifying Fire --Mystic Sound --The Way of the Shaman to help us create a sacred space wherever we make our home.
