Reviews

This composed pdf is fantastic. It normally will not expense too much. You will like how the writer write this publication.
(Dr. Jerald Hansen)

ALASKAS TOTEM POLES

Alaska Northwest Books. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 8.3in. x 5.3in. x 0.4in. Through the mists of Alaskas rain forest, totem poles have stood watch for untold generations. Imbued with mystery to outsider eyes, the fierce, carved symbols silently spoke of territories, legends, memorials, and paid debts. Today many of these cultural icons are preserved for the public to enjoy in heritage parks and historical centers through southeast Alaska. And, after nearly a century of repression, totem carving among Alaskas Tlingit, Haida, Tsimshian peoples is flourishing again. In this newly revised edition of Alaskas Totem Poles, readers learn about the history and use of totems, clan crests, symbolism, and much more. A special section describes where to go to view totems. And foreword writer David A. Boxley offers the unique perspective of a Native Alaskan carver who has been a leader in the renaissance. Author Pat Kramer traveled throughout the homelands of the Totem People - along Alaskas Panhandle, the coast of British Columbia, and into the Northwest - meeting the people, learning their stories, and researching and photographing totem poles. Pat is also a tour director and the author and photographer of several other books, including Vancouver, Gardens of British Columbia, and Totem Poles, a guidebook to Western Canadas totems. Foreword writer David Boxley, the first Alaskan Tsimshian to achieve national prominence, is a renowned totem pole carver, having carved sixty-five poles in the last twenty-six years. He has been deeply involved in the rebirth of Tsimshian culture through organizing and hosting Potlatches in Alaska and Washington. This is a handy guide for travelers in Southeast Alaska who want to learn more about Alaskas totems. There's even a guide of where to view totems in the state. Ravens, killer whales (Orca) and bears. . . they're all...
