

## The Book of Alcoholism: Your Private, Personal, Self Paced, Easy to Understand Road to Education Recovery (Paperback)

By MR Mark F Boisvert Sr

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This workbook was created to give individuals the opportunity to obtain the same information, education, and self help provided through attending expensive professional counseling or education seminars. This book gives you the ability to learn the truth about alcoholism and then decide if you have a substance abuse problem. We accomplish this by focusing your understanding and knowledge that you will gain from this book to sharpen your skills to work towards an alcohol free lifestyle, through your choice. I have personally never been evaluated, arrested, or attended any type of alcohol rehab program, so all my opinions are formed strictly from formal education, issues with family and friends and my work in the field with other people. I have worked as an addictions counselor in the private, military and criminal sectors. I have a formal education, combined with hands on experience with friends, family and patients. During this book I will address the problems within the counseling community, legal system and inconsistency with the evaluation and testing process. I have provided many of these books to all types of adults, schools, children,...
