

The War of the Flowers (Paperback)

By Tad Williams

DAW BOOKS, United States, 2004. Paperback. Condition: New. Reissue. Language: English . Brand New Book. This standalone portal fantasy transports unsuccessful rockstar Theo Vilmos from modern California to a land of magic and mystery. Returning to the fantasy genre that made him a coast-to-coast best-selling phenomenon, Tad Williams writes this stand-alone contemporary fantasy novel, set in Northern California--and also in the strange parallel world that coexists in the farthest reaches of the imagination. Theo Vilmos is a thirty-year-old lead singer in a not terribly successful rock band. Once, he had enormous, almost magical charisma, both onstage and off--but now, life has taken its toll on Theo. Hitting an all-time low, he seeks refuge in a isolated cabin in the woods. While there, he reads an odd memoir written by a dead relative who believed he had visited the magical world of Faerie. And before Theo can disregard the account as the writings of a madman, he, too, is drawn to a place beyond his wildest dreams. a place that will be, and has always been, his destiny.
