Building Bass Lines: A Guide to Better Bass Lines for Bassists, Arrangers Composers

Alfred Music, 1998. CD-Audio. Condition: New. Language: English . Brand New. This book teaches everything you need to know to create great bass lines. An easy-to-use, step-by-step approach to basic theory is given as a foundation, and then the essential styles-and many styles within each style-are explored from the bass point of view. Learn how the bass fits into the group, the important bass techniques for each style and even what tempos to expect. Bass players, arrangers and composers alike will love the hundreds of tips and sample bass lines. A CD demonstrating all the examples and for playing along is available.

Reviews

It is just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.
