To read **Two Tiny Mice: A Mouse-Eye Exploration of Nature (Hardback)** eBook, remember to click the web link beneath and download the ebook or get access to other information which are have conjunction with TWO TINY MICE: A MOUSE-EYE EXPLORATION OF NATURE (HARDBACK) ebook.

Sky Pony Press, United States, 2014. Hardback. Condition: New. Alan Baker (illustrator). Revised.. Language: English . Brand New Book. This delightfully sweet storybook follows a duo of harvest mice as they explore the countryside. A unique mouse-eye view shows creatures in their natural habitats as the two meet a quiet rabbit, get a peek in an energetic sparrow s nest, and make an amphibious acquaintance near the river. Exploring is tiring, but at the end of the day there is a cozy, warm nest to crawl back into, and the two mice dream of what nature will bring tomorrow. This title features twelve beautifully drawn animals to discover as Baker s award-winning illustrations put fascinating creatures like badgers, ducks, and squirrels at your fingertips. First published in 1990, this captivating story is a celebration of the value and irreplaceable beauty of nature, but it doesn t end there! This revised edition of Two Tiny Mice includes descriptions of all the animals illustrated, so kids can learn about the wildlife right outside their door. A classic book back in print, Two Tiny Mice will nurture curiosity and a lasting respect for the outdoors. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
