Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hair Loss Master Plan gives you a step-by-step, practical way to deal with your hair loss challenges. Whether you re a woman dealing with thinning hair, hair loss or alopecia, or a man with a receding hairline or premature baldness, you will find information and advice comprehensive look at the hormonal and other health-related causes of hair loss. Hormone Hair is real. Hair loss is often related to hormonal imbalances, including thyroid conditions, adrenal imbalances, postpartum hormone changes, shifts in testosterone levels, and the estrogen/progesterone changes of perimenopause and menopause. Hair Loss Master Plan guides you through the tests to ask for, how to interpret the results -- from the perspective of hair loss. It s not enough to have levels that are in the reference range. Levels that are not optimal, even if within the range, can trigger or contribute to hair loss issues. Some of the specific issues discussed in Hair Loss Master Plan include: The role of ferritin (stored iron) levels, and why you must have this tested -- and imbalances treated -- if you are experiencing hair loss How even slight imbalances in your thyroid can cause or worsen hair loss, and what tests and treatments can help get rid of this hair saboteur Hair loss in perimenopause and menopause, and what you can do to resolve this hair loss -- from the inside out Hair loss or receding hairlines in andropause for men, and solutions that work to slow or stop thinning hair Nutritional approaches, supplements, medications, and products that can slow and stop hair loss, and help encourage more rapid regrowth Hair Loss Master Plan helps you get the right conventional treatments for...
