Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Life and Society in America San francisco, the Chief city of California, is the most important American town on the Pacific or iwestern Coast. Its progress is singularly unprecedented. The first White settlement was established in the Autumn of 1776, by a Spanish military post, in conjunction with a mission Of Franciscan friars, whose Object was the conversion of the Red Man. Scarcely had a year elapsed when a town was laid out, and a wooden house erected. The place received the name Of Yerba Buena. In 1847, however, the population having increased to four hundred and fifty, this designa tion was changed to that by which thestirring, prosperous city is now known.
