Kensington Publishing Corporation, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nestled in the lush green mountains of North Carolina, the Honeywilde Inn will be a romantic s dream getaway-if only the Bradley siblings can keep it running. It will take a combination of hard work, good luck, and the kind of love that dreams are made of. Roark Bradley is no stranger to responsibility. Growing up, he practically raised his younger siblings while his parents threw themselves into working the inn-and arguing with each other. Determined to make the Honeywilde shine once more, Roark jumps at the chance to conduct business with a no-nonsense event planner who approaches him about celebrity nuptials that could put the inn back on the map. If only it wasn t so tempting to discuss some no-strings attached pleasure with her instead. Madison Kline is done with weddings-at least personally. Her own youthful mistake is a well-guarded secret, and one she refuses to repeat. But as she and bold, broad-shouldered Roark work together to make a rock star couple s wedding a reality, she finds herself wishing romance didn t feel like a four-letter word. Can either of them surrender their hard-won independence and workaholic ways for something sweeter-and even more rewarding?.
