CINEBOOK: The 9th Art Publisher, 2011. Soft cover. Condition: New. Dust Jacket Included. 56pp Suitable for: 15+ years. [In stock in Australia now, for immediate despatch]- In God's name, but far from His eyes, men continue to struggle and seek power in the Holy Land. Gauthier of Flanders hunts the Aa, a monster whose existence stains his family's honour and who is key to an alliance with the Jews of Samaria. Deep underground, the crusader and Osarias fight for their lives, while on the surface the Master of Machines plots to secure his own pacts and get rid of Robert of Taranto. In this terrible struggle for Hierus Halem, more lives, more souls will be lost to the terrible Qa'dj. Key Points: *Translated into English for the first time *A rich and complex scenario that revisits a fascinating period of history - the Crusades - and adds to the legends of the Holy Land *A bright, sharply drawn art that is as much at ease conveying the magic of the desert as depicting the epic horror of battles.
