JESUS IS GOD (PAPERBACK)

Four Rivers Design, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In his provocative new book, Chux Uguru challenges the church's traditional understanding of the trinity and questions whether the teaching of this doctrine lines up with scripture. Jesus is God Almighty, Uguru writes, the only One there is. Jesus Is God explains the true declaration of the scriptures about the Almighty God, painting a Genesis-to-Revelation big picture of God and His workings. Uguru highlights sources of error so that the reader will get to know God better. Uguru writes to: - Broad minded Christians who are sincerely seeking to know God more - Bible scholars whose current positions need to be challenged by the contents of the book - Curious secular truth seekers with questions about the three in one - People from all walks of life whom God is drawing to Himself A layman seeking God, Uguru has no sectarian or denominational biases and writes in easy-to-read and simple language. Every position is supported by scripture-an invitation to study the scriptures themselves. Chux Uguru was born in Nigeria, is a graduate of Engineering Physics and is a Petroleum Engineer practising in Nigeria. He is married to Ihuoma (nee Okereke), and between them they have four lovely daughters.
