Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

THE GRAVITY PILOT

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It is the polluted and gritty future, saved--sort of--by technofixes. Young skydiver Orr Sitka wants no more from life in future Alaska than he already has: a woman he loves and the chance to dive. When he makes a reckless, record-breaking jump that catapults him into celebrity, he s courted by corporations that want to exploit his talent to make him a sports media star. The dangerous jump that wins Orr infamy turns out to be a breaking point for his loving girlfriend, Dyce, who is wooed away by a promising job in the thriving underground city of Seattle, a world media center in a crumbling civilization. Separately, Orr and Dyce are sucked into nightmare lives that take a terrible toll on each of them. When Orr learns that Dyce has become addicted to virtual reality, controlled by an eccentric media billionaire and his decadent daughter, he does everything in his power to rescue her. But is Orr strong enough to get through to Dyce and break them both out of hell?.
