Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Notary of Grand Pre A Historic Tale of Acadia Seen at low water, clean, tide-washed new red sandstone forms the base. Resting on this is a thick stratum of amygdaloid trap, veined with tinted gypsum and dotted with silicates of great variety and beauty, among which may be found chalcedony, jasper, opal, agate and other precious stones. Supported upon this gem-bespangled foundation, rises erect nearly two hundred feet of dark green crystalline, columnar, basaltic trap, all crowned with shrubbery and evergreen woodsof ancient growth, the whole cliff resembling ruins of some colossal art structure adorned by time and decorated by decay. This majestic bluff is wholly, except the sand stone base, of volcanic origin, being the eastern extremity of a long ridge of trappean rock formed by an ancient current of molten stone or lava, erupted through the earth s crust and ?ow ing over and cooling upon the red sandstone sea bottom, on which the whole ridge now rests. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
