

Introducing Ethics: A Graphic Guide (Paperback)

By Dave Robinson, Chris Garratt

Icon Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. What is the place of individual choice and consequence in a post-Holocaust world of continuing genocidal ethnic cleansing? Is identity now a last-ditch cultural defence of ethnic nationalisms and competing fundamentalisms? In a climate of instant information, free markets and possible ecological disaster, how do we define rights , self-interest and civic duties? What are the acceptable limits of scientific investigation and genetic engineering, the rights and wrongs of animal rights, euthanasia and civil disobedience? Introducing Ethics confronts these dilemmas, tracing the arguments of the great moral thinkers, including Socrates, Plato, Aristotle, Hobbes and Kant, and brings us up to date with postmodern critics.
