China has to mobilize all social forces to participate in the crucial moment of the fight against AIDS. in addition to unite together to fight human no alternative. This book is the author according to the 2006 UNAIDS Programme Accelerated Fund in the implementation of China s third cycle (PAFIII) and the UNESCO project HIV prevention education into the health of young people in formal and non formal education system. the results of the pilot project written in the summary. It provides multiple levels of AIDS-related knowledge. hope to benefit readers and enable them to choose responsible behavior in the future. Your choice and your life s happiness is closely related. As the author is limited. combined with the continuous development of the AIDS epidemic and the AIDS epidemic and prevention of human understanding of the law continues to improve and enhance the book some of the arguments may be biased. I urge readers to provide more valuable feedback for future repair work when the second edition and improve. Contents: Foreword sequence CPC General Secretary and President Hu Jintao in Beijing You An Hospital. Premier Wen Jiabao visited AIDS patients in Beijing Ditan hospital to visit AIDS patients. Premier Wen Jiabao visited New Year s Eve lost loved ones due to AIDS. the elderly and children. Vice Premier Wu Yi starts migrant AIDS Prevention Education Project workers HIV epidemic status and human responsibilities. the global AIDS epidemic situation. China s AIDS epidemic situation in China may be an outbreak of the AIDS epidemic social risk factors. youth in the prevention of AIDS and obligations of moral responsibility. social responsibility and human health....
