NUEVE SIGLOS DE LITERATURA ESPANOLA: NINE CENTURIES OF SPANISH LITERATURE - A DUAL LANGUAGE ANTHOLOGY (PAPERBACK)

[DOWNLOAD PDF](#)

Dover Publications Inc., United States, 1995. Paperback. Condition: New. New edition. Language: English, Spanish. Brand New Book. This rich sampling of Spanish poetry, prose, and drama includes more than seventy selections from the works of more than forty writers, from the anonymous author of the great medieval epic The Poem of the Cid to such 20th-century masters as Miguel de Unamuno. The original Spanish text of each work appears with an excellent English translation on the facing page. The anthology begins with carefully selected passages from such medieval classics as The Book of Good Love by the Archpriest of Hita and Spain's first great prose work, the stories of Count Lucanor by Juan Manuel. Works by writers of the Spanish Renaissance follow, among them poems by the Marques de Santillana and excerpts from the great dialogue novel La Celestina by Fernando de Rojas. Spain's Golden age, ca. 1550-1650, an era which produced its great writers, is represented by the mystical poems of St. Teresa, passages from Cervantes Don Quixote and scenes from Tirso de Molina's The Love-Rogue, the drama that introduced the character of Don Juan to the world, along with other well-known works of the period. A cavalcade of stirring poems, plays and prose selections represent Spain's rare literary achievements of the 18th, 19th and 20th centuries. The translations were chosen for their accuracy and fidelity to the originals. Among the translators are Lord Byron, Henry Wadsworth Longfellow, Edward FitzGerald and John Masefield. As a treasury of masterly writing, as a guide for the student who wants to improve his or her language skills and as a compact survey of Spanish literature, this excellent anthology will provide hours of pleasure and fruitful study.
