Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

SEE INSIDE: HUMAN BODY (HARDBACK)

Silver Dolphin Books, United States, 2015. Hardback. Book Condition: New. 307 x 173 mm. Language: English . Brand New Book. Discover how the body works, one layer at a time, with See Inside the Human Body. The innovative and interactive 3-D format allows kids to examine the inner workings of the human body with a transparent model that includes removable organs. The detailed text and full-color illustrations in the 48-page book provide readers with an up-close look at how each of the body's systems works while they examine and assemble the model. Also included is a stand-up cardboard model showing the muscular and circulatory systems, providing the reader with a complete overview of the human body.
