The Companions of Jehu, as Dumas tells us in his An Introductory Word to the Reader, was inspired by a story he had read in Charles Nodiers Souvenirs de la Revolution of four young highwaymen, belonging to a band called the Company of Jehu, who fought their way out of a prison in order to avoid the guillotine. His son provided him with outlines for two characters for the tale, an English gentleman and a French captain, the latter being a mysterious character, who courts death with all his might, without being able to accomplish his desire. These are Lord Tanley, who goes by the quintessentially English Sir John, and Roland de Montrevel, aide-de-camp to and best friend of the man called General Bonaparte at the beginning of this novel. While Dumas weaves a wonderfully romantic tale involving Roland, Sir John, and the Companions of Jehu, here transformed into a band of aristocratic royalists, robbing government diligences in support their righteous cause, Napoleons story dominates. As Dumas himself acknowledges: But we are writing a simple narrative, in which Bonaparte shows himself, if only for a moment, he becomes, in spite of himself, a principal personage. The reader must pardon us for having again fallen into digression; that man, who is a world in himself has, against our will, swept us along in his whirlwind. The action begins when General Bonaparte, accompanied by Roland, returns from the Egyptian campaign and continues through such legendary events as the 18th Brumaire, which instigated the dissolution of the Republic by making Napoleon First Consul, and the establishment of the Bonaparts in the Tuileries, ending with the Battle of Marengo. The historical details are precise...
