

The Meaning of Star Trek (Paperback)

Filesize: 8.47 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

(Justice Wilderman)

THE MEANING OF STAR TREK (PAPERBACK)

To read **The Meaning of Star Trek (Paperback)** eBook, make sure you follow the hyperlink beneath and download the document or have access to additional information that are related to THE MEANING OF STAR TREK (PAPERBACK) ebook.

Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Before The X-Files there was Star Trek. Unrivaled in the fanaticism and devotion of its fans, it was easily the most cerebral show of its age. Star Trek brought a literary sophistication to the raw material of science fiction and confounded all the formulas of television. The Meaning of Star Trek captures the essence of this timeless television masterpiece by examining it in the context of literary and social history, anthropology, myth, and religion: how it grew from the tradition of great science fiction writing; how the history of the show s Federation reconfigures our own; how its stories relate to classic myths; and how its tales of magic, marvel, and miracles appeal to our sense and suspicion of Western religion. By creating a universe with its own coherent nature and consistent set of rules, Richards argues that the series has the same integrity as a work of great literature or art, and should be judged as such. No other of the score of Star Trek books has dared explore what the series really means -- where it comes from, and why it is so popular. Truly the book to read while sipping coffee at the cafe at the end of the universe, The Meaning of Star Trek is the first to give the television series the analysis that proves it to be a vital bridge between the disparate worlds of classical literature and popular culture.
