Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Redemption of Ruth was born out of a daily email Bible study that was initially sent to a few close friends and then grew to a worldwide group of readers. This study is a warm, engaging devotional read that is broken up in small easy to read chapters. While the Bible is filled with great theological concepts and important truths the message of redemption runs clearly and simply from beginning to end with many examples of the tender love that the Father has for His children. We invite you to join us on this great journey through ancient lands as we see wonderful examples of the loving kindness that God has for us. It is our great hope that as you read this story penned over one thousand years before the birth of Christ you will see clearly the love that God has for you and trust that Jesus has paid the full price for your own redemption. It is a dark time in history as judges rule the land. In the small town of Bethlehem, in the country of Judah, a famine has come and decisions are made that will change the faith and fate of one family. Elimelech and Naomi take their two sons and journey to the forbidden land of Moab in search of food. What they find there, and what they leave there, will forever mark their destiny. Grab a cup of coffee and your Bible and join us as we meet a family you are certain to remember forever. Travel with us as we find the common thread, the one thing that is desired by all and offered to all. Redemption.
