Alphadoodler: The Activity Book That Brings Letters to Life

By Jan Bajtlik

Tate Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Alphadoodler: The Activity Book That Brings Letters to Life, Jan Bajtlik, Watch letters of the alphabet come to life in this hugely imaginative scribble book by Polish graphic designer Jan Bajtlik. "Alphadoodler" invites children to play with typography, using well-known letterforms to create creepy-crawlies, impossible skyscrapers, a crocodile's toothy grin, and even ghost letters with toothpaste. Packed full of activities for children to draw, scribble, cut, color, glue, paint, and design, "Alphadoodler" sees letters camouflaged in a messy bedroom, skiing down a mountain, growing leaves, and leaving the reader pondering: Is an O an octopus without tentacles, or an elephant without a trunk? In this entertaining and electrifying book, letters bend, break, hide, and slide to become something truly larger than life."

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ms. Missouri Satterfield DVM**

The best publication I actually study. We have studied and that I am certain that I will likely to study once more again later on. Your daily life span will likely be transformed the instant you total reading this book.
