Cultural Narration (Hardback)

By Bryant Griffith

Sense Publishers, United States, 2008. Hardback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Education is a dance of complexity and struggle. Unfortunately, our educational system is tied to the observable and the verifiable, not the randomness of human beings and their diverse forms of expression. The reality of the contemporary classroom is a context of multifaceted diversity, with each classroom reflecting unique combinations of ideology, culture, and language, played out in numerous forms and permutations of multi-textual discourses. The influence of each contextual space is only limited by one's ability to understand its complexity and to acknowledge it. Teachers and learners are roommates of sorts, connected by the web of discourse and praxis, woven inside the global community. We live in a world where common understanding is desperately sought, yet one where language is often not tied to common understanding. Exploring the need for shared community within this context, Griffith provides a path in which the diverse ways of knowing can interlace to form pedagogical moments in which teachers and learners can deconstruct and construct alternatives. Cultural narration is based on a series of social relationships, which can be...
