## Germany - Culture Smart!

By Barry Tomalin

Dreamscape Media, United States, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This new, updated edition of Culture Smart! Germany examines the vast changes that have lead to Germany's new world confidence. It explains how German traditional values and working methods are adapting to take advantage of international opportunities and global society while maintaining the commitment to quality, organization, and time that marks out German business life. It shows how the traditional differences between Germany's regions are lessening, enabling society to come together and better absorb new immigrants, and above all how Germans are losing the fear and guilt associated with their twentieth-century wars and finding a new voice on the international stage.
