ROWMAN LITTLEFIELD, United States, 2008. Paperback. Condition: New. Revised. Language: English . Brand New Book. Do places where violent deaths occur somehow absorb the horror, only to conjure up images that haunt the living for generations to come? Many people believe that this can indeed happen; above all, in the context of that manmade phenomenon that reaps so great a toll in so short a time: War. Haunted U.S. Battlefields takes us on a spine-tingling tour of America s most legendary spectral scenes of human struggle-from the Revolutionary War to the Civil War, from the Indian Wars to World War II and beyond. As America s bloodiest conflict, the Civil War has yielded the greatest number of ghostly sightings. Hence, most of the twenty-five battlefield legends this book relates are from this era-whether the myriad strange spectral happenings associated with Gettysburg, or this war s lesser known but equally tragic events. Summing up the eerie essence of wartime scenes across America-many of which today host popular ghost tours-Haunted U.S. Battlefields is a must for students of the paranormal, Civil War buffs, and all others interested in a spine-chilling realm of military history that the history books don t dare tell.
