

Accountancy and Business Management, Vol. 1 (Classic Reprint) (Hardback)

By Harry Marc Rowe

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Accountancy and Business Management, Vol. 1 The course of study provided in Accountancy and Business Management, and in the laboratory practice units which accompany it, is based to some extent upon the author's previous work, Rowe's Bookkeeping and Accountancy. However, a number of important changes in the teaching plan and in the selection and arrangement of subject matter make the present course of study substantially a new and original work. The most important new features are: (a) An Introduction to Bookkeeping at the beginning of the text, in which the fundamental concepts of accepted accounting principles and business operations are presented in an exceedingly simple and logical manner. (b) The opportunity provided throughout the course of study for teaching by the class method when this method is preferred. The teaching plan is so classic, however, as to permit the instructor to exercise his personal preference and judgment as to methods of presentation. (c) A minimum use of the reference feature contained in the author's former works, with no references to topics other than those under immediate consideration. (d) The...
