Puffin Books, United States, 2013. Paperback. Condition: New. Sam Zuppardi (illustrator). Language: English . Brand New Book. Meet Edgar and Allan Poe -- twelve-year-old identical twins, the great-great-great-great-grandnephews of Edgar Allan Poe. They look and act so much alike that they re almost one mischievous, prank-playing boy in two bodies. When their beloved black cat, Roderick Usher, is kidnapped and transported to the Midwest, Edgar and Allan convince their guardians that it s time for a road trip. Along the way, mayhem and mystery ensue, as well as deeper questions: What is the boys telepathic connection? Is Edgar Allan Poe himself reaching out to them from the Great Beyond? And why has a mad scientist been spying on the Poe family for years? With a mix of literary humor, mystery, a little quantum physics, and fun extras like fortune cookie messages, letters in code, license plate clues -- and playful illustrations throughout -- this series opener is a perfect choice for smart, funny tweens who love the Time Warp Trio, Roald Dahl, and Lemony Snicket.
