Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History of Dekalb County, Tennessee I have thought the virtues and affairs of the people of my native county worthy of chronicling and trust there is a place among them for this little book. It is finished with the haze and hush of Indian summer about me and under the spell of the old hills. It is i easy to see once-familiar faces, to hear remembered voices, to recall the little activities on farms and in villages, and I cherish the fact that I was once a part of all this. It should not be a matter for wonder, then, that I often feel what Burns felt when he gave expression to his perpetually quoted wish: That I for poor auld Scotland s sake Some useful plan or book could make, Or sing a sang at least. The works which have been helpful are named where quoted. Very valuable, indeed, have been two musty account books referred to repeatedly herein; they have helped so much to illuminate a bygone time. The first is that of the Liberty physician and merchant, Ebenezer Wright, dated from April 22, 1832, to June 18, 1833. The second belonged to Dr. John W. Overall, of Alexandria, and dates from 1830 to 1834, but was afterwards used by his father. Col. Abraham Overall. While I never had much fondness for figures, these two documents, with all that they reveal in and between the lines, proved as interesting as romance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
