LEAVING LANA I

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A sweeping romantic novel by the USA Today best-selling author of Alaskan Dawn One horrible night 15 years ago, a little girl named Maddie was taken away from the island paradise she treasured, the townspeople she loved, and the playmate who shared her soul. Now, she s coming back to them. Maddie was only a child in those idyllic, carefree days when she and her best friend Kai swam in the ocean, fished, hiked, and stargazed on the tropical island of Lana i. At 25, she realizes that her memories of those elementary-school days may have been romanticized, given that the months following her mother s sudden death and her own unwilling departure from Lana i were the worst of her life. But she has never given up her dream of returning to the people she cared about. Not when warm images of the boy Kai s face continue to haunt her mind. Having connived to do post-doctoral research studying feral cats on the neighboring island of Maui, ecologist Madalyn Westover has at last managed to relocate herself only a boat-ride away from home. But will anyone recognize the tall, striking redhead as the same stocky brute of a girl who used to push the boys around? Will her precious Nana remember her? Are her old man friends even still alive? Bold-from-birth Maddie isn t afraid to walk right up and find out for herself. Nor is she afraid to track down Kai, despite several nebulous warnings about how much he has changed. But when she realizes that every man, woman and child in Lana i City seems to have mysterious knowledge about her own family which she does not, Maddie doesn t feel so brave...
