This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

It is not a devotional, however an open guide to record your personal quiet time in the Word. It holds 3 months of daily journaling pages that are intentionally laid out into three sections to cultivate your relationship with God as you study the Word. Each journaling page includes a section for Scripture, Observe, and then Apply. In the section titled Prayer, it is recommended that you write down the Scripture passage that you are studying. By writing down the verse, it will help commit the verse to memory and establish a stronger connection and understanding. The Notes Reflection section is a space where you can write down important aspects of the story that stand out to you and your own thoughts and reflection on the passage. And finally, the Prayer Praise section is a space where you can pray over what the Lord has taught you and give thanks. You can also use this space to write down your daily prayer requests. We truly hope this simple and beautifully designed journal enriches your quiet time in the Word! Do it daily and make it a habit to focus on the blessings you have been given!
