NIGHT PEOPLE, BOOK 1: A MEMOIR OF LOVE AND MUSIC IN THE 60S WITH STARK NAKED AND THE CAR THIEVES (PAPERBACK)

Claremont Village Press, LLC, 2015. Paperback. Condition: New. First Jun 2015 V1.2 Oct 2016 ed.. Language: English . Brand New Book ***** Print on Demand *****. LARRY J. DUNLAP DELIVERS A FAST-MOVING, romance-filled memoir of a young singer and his friends search for success in the 1960s music business of California and Las Vegas - if you liked memoirs from Carly Simon, Keith Richards, Patti Smith, Tommy James, and The Wrecking Crew, you're sure to enjoy Night People. Instead of sharing a life with the woman I'd expected to be married to forever, my friends and I shared a dressing room, divided by thin wallboard, with a covey of topless showgirls and dancers. In 1965, when Larry's scattered-to-the-winds, Indianapolis rock and roll vocal group is improbably reunited in distant San Francisco, they barely survive their clumsy transformation into entertainers in a rock and roll nightclub band. As their fortunes change, Larry and his band are plunged headfirst into an adventure that lures them into mob-run nightclubs, Las Vegas showrooms and backrooms, famous Hollywood night spots and recording studios, celebrity managers, and passionate romance--and the sacrifices it demands. It's the West Coast in the mid-Sixties: a historic era of tectonic cultural, political, musical, and sexual upheaval--and the draft. The band scrambles to overcome, or at least endure, every obstacle in its path. But in the tumultuous nights the band inhabits, where things and people are too easily found and lost, everything Larry thought he knew about life, love, and himself is being challenged. PRAISE FOR NIGHT PEOPLE Dunlap's sense of transcendence is similar to the sensation Keith Richards describes in his memoir, Life: .you leave the planet for a while. Reliving his rock and roll years in his wonderful memoir, NIGHT PEOPLE, Larry Dunlap, must have...
