SOLARIS, United Kingdom, 2013. Paperback. Condition: New. Original. Language: English . Brand New Book. Book two of The Heaven's Gate Trilogy. A weird western, a gun-toting, cigarrillo-chewing fantasy built from hangman's rope and spent bullets. The west has never been wilder. A Steampunk-Western-Fantasy from Guy Adams. Heaven? Hell? There's no difference. Angels, demons, we're all a bit of both. This could be the most wondrous place you ever experience or so terrifying it makes you pray for death. Not that death would help you of course, there's no escape from here. Wormwood has appeared and for twenty four hours the gateway to the afterlife is wide open. But just because a door is open doesn't mean you should step through it. Those who have travelled to reach the town are realising that the challenges they've already faced were nothing compared to what lies ahead. The afterlife has an agenda of its own and with scheming on both sides of reality, the revelations to come may change the world forever.
