Marvel Comics, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The unthinkable happens when the Punisher surrenders himself to police! The trial of the century begins as Frank Castle admits to murdering a district attorney! Is this the end of the Punisher's war on crime? Plus: There was a year when no one knew where he was. When Bullseye - the world's greatest assassin - simply vanished without a trace. In the glare of the white hot lights, no one noticed the lanky stranger with the rubber arm, throwing heat that could, well, take off a man's head. See, every man needs a challenge, a moment when he faces impossible odds, when he looks deep inside himself and sees what he's really made of. Bullseye's next pitch is one for the history books. COLLECTING: PUNISHER: TRIAL OF THE PUNISHER 1-2, BULLSEYE: PERFECT GAME 1-2, MATERIAL FROM DAREDEVIL 500.
