The Road to Prosperity: How to Grow Our Economy and Revive the American Dream

By Patrick Toomey

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Capitalism is under attack by leftists who want to remake the United States into a European-style welfare state. The Obama administration s corporate bailouts, excessive spending, and sweeping expansion of government interference in the private economy are undermining our economy and the hopes and dreams of future generations. History suggests these policies if left unchecked will prove disastrous. The Road to Prosperity is a clarion call for a return to the principles that support economic growth, individual opportunity, and freedom. Written by former Pennsylvania congressman and president of the Club for Growth Patrick Toomey, The Road to Prosperity is a masterful critique of leftist economic fallacies and an eloquent exposition of the superiority of free-market capitalism as a creator of prosperity and human happiness. Throughout this book, Toomey argues that we should cut taxes, reduce government spending, and end the government micro-management of banks, carmakers, and other troubled companies. Specifically, a simple, three-year moratorium on corporate taxes or a two year, 50 reduction in payroll taxes would cost the same as the stimulus bill, but would provide far more stimulus...
