Samhain Publishing Ltd, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A passionate education leads to dangerous love. For Claire Montjoye, widowhood is no release from scandal. Used as sexual currency by her notoriously libertine husband, she longs for a life of quiet respectability. But the ton's disapproval ensures she will never be truly accepted-and any man openly seeking her company will be tainted. When Xavier Westbourne pulls her away from peril, his touch fills her with yearning for unattainable dreams. Accepting his invitation to the opera is not only unwise for him, it's dangerous to her lonely heart. Perhaps taking him as a lover will be enough. Scion of one of Society's most upright families, Xavier knows propriety as a cold, brutal master. Having endured one loveless marriage, he refuses to repeat the mistake, even for his motherless son. Yet Claire easily breaks through his wall of reserve, and her offer of private instruction in the sexual arts is irresistible. Consumed by passion, overwhelmed by ecstasy, they discover something neither thought existed-the freedom to open their hearts. Yet not all the horrors of the past are content to remain hidden by the mists of time. And suddenly their very survival depends on trusting that love really can conquer all. Warning: A Regency hero who can't keep his hands to himself and a heroine who encourages him in the most shocking, explicit manner. If conflicted heroes, heroines with a past, velvet, mirrors, self-love or the occasional extra pair of feminine legs in the bed offend, this book is not for you.
