Finally, the phoenix rises to bring his 27 years of experience rebuilding Americas low income communities to the desk of President Donald Trump. Webb offers President Trump his 27 years of insight on how to REBUILD Americas low income African American and other poor communities. Read the real life legal saga of Master Builder James T. Webb as he shows the President and the American people that struggles, challenges, and benefits of REBUILDING Americas poorest and most frail communities in a very unique Real Estate Market. Webb makes his methods in The WAHM (Webb Affordable Housing Model) available to the Trump administration to help finally bring the CHANGE that Americas poor communities have been waiting on for the past 100 years. While it has not been easy, Webb has purchased, renovated and sold close to 1000 previously vacant and condemned homes in these communities. (Many scheduled for demolition) But Webb stopped the demolition and put the citizens within the same communities to work REBUILDING their homes. In creating 10s of thousands of short term contract jobs, Webb helped to positively change the lives of the workers. While the benefits of rebuilding those communities are without limit, the social, political, regulatory, and legal challenges though unnecessary and many times very unfair, can break the spirits of the best men and women who attempt to bring the needed change. However, for Webb, despite the blood on his brow, his vision for these communities is unchanged and very clear. Webb believes that now and with President Trump in the White House, these communities can finally become greater than they have ever been over the past 100 years. Webb offers his assistance to President...
