Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Before I begin my story, I believe there is a bit of history you should know about my world, the world of wolves, but also that of vampires. As you may or may not know, wolves and vampires are destined to be immortal enemies. This is because the bite of a wolf can kill a vampire and vampires are strong enough to kill wolves with their bare hands and sharp fangs. We and the vampires have been enemies for centuries. What you may not know, however, is that there are actually two different clans of wolves - the black wolves and the white wolves. I am one of the black wolves, and we live in the forest and despise the white wolves. Why, you ask? Well, that's another story altogether. Meet Sabrina, the leader of the Black Wolf Clan, and find out what caused the war between the two clans. Is this rift something Sabrina can repair, or are they destined to be enemies for all time? This multi-volume box set covers the whole story, from the story of how Sabrina became leader after the untimely death of her father, to the very end, which we won't ruin for you. Instead, buy this now and find out for yourself.
