ZERO TO THREE: National Center for Infants, Toddlers, Families, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Coaching for Quality is a trainer s manual for upgrading the quality of infant and toddler child care programs. The Coaching for Quality program will help trainers provide: information about the developmental needs of infants and toddlers in group care and components of quality early care; tools for program administrators and technical assistance specialists to use to improve policies and practices that affect children, staff, and families; and opportunities for participants to practice a variety of staff training and mentoring strategies.
