Forgotten Books. Paperback. Condition: New. This item is printed on demand. 216 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Excerpt from The Trustee Acts: Including a Guide for Trustees to Investments In producing the present Edition of this work the Editor has endeavoured, as far as possible, to maintain the form and scope of the last Edition. Since that was produced two statutes, the Judicial Trustees Act, 1896, and the Colonial Stock Act, 1900, have been passed, and many cases have been decided bearing upon the matters herein dealt with; these have necessitated the incorporation of a considerable mass of fresh matter, and the notes upon some sections of the Trustee Act, 1893, as, for instance, those dealing with the appointment of new trustees, have been almost entirely rewritten; it is hoped that these may prove not unworthy of the work in which they are now incorporated. As in previous Editions an endeavour has been made to deal rather with questions of practical importance and common occurrence than with difficult and controversial points.
