When Kaz Elmore is told her five-year-old daughter Jamie has died in a car crash, she struggles to accept that she ll never see her little girl again. Then a stranger comes into her life offering the most dangerous substance in the world: hope. All she has left is hope. Devlin, security consultant and witness to the terrible accident scene, inadvertently reveals that Kaz s daughter might not have been the girl in the car after all. What if Jamie is still alive? With no evidence, the police aren t interested, so Devlin and Kaz have little choice but to investigate themselves. Devlin never gets involved with a client. Never. But the more time he spends with Kaz, the more he desires her - and the more his carefully constructed ice-man persona starts to unravel.
