This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

SAMIDHA: THE REALIZATION OF LOVE

Partridge Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English,Hindi . Brand New Book ***** Print on Demand *****.Poetry is the journey to discover ourselves. And from the ancient days it is a sensible medium to express one's inner emotions, feelings and realization. The book Smidha is a book of self realization and the Journey towards our inner self. It's a book of divine love. It's a blessing of my Master that grew flowers around me and makes my life more colorful. Sometimes this very rare experience of love comes in life but most of us can't understand it and so it passes without leaving any sign of it, in our life and heart. It's a great luck of mine that I could not only experience but also showered with love and could have collected some droplets from there. These poems are the small drops of divine love. Really it's very difficult to explain love. I used all worldly words and symbols to explain this great feeling but they have their own deep meanings.
