University of Minnesota Press, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. Discovers unexpected common ground in one of the most inflammatory issues of the twenty-first century: the deepening conflict between the Islamic world and the United States. Moving beyond simplistic answers, Anouar Majid argues that the Islamic world and the United States are both in precipitous states of decline because, in each, religious, political, and economic orthodoxies have silenced the voices of their most creative thinkers-the visionary nonconformists, radicals, and revolutionaries who are often dismissed, or even punished, as heretics.
