Dalian University of Technology Press Editor's Choice book system utilities rich in content. I hope you memorize the common spoken sentence. more than imitate more than recite. Thus. in the future communication you will do blurted out. accurate and authentic to express their meaning. I believe the book for high school students. college students. and the majority of English fans to learn the authentic. practical spoken English. abundant expression of spoken English. to improve the quality of spoken English will be of great benefit. EXECUTIVE SUMMARY Dear readers. perhaps like you. and the majority of readers struggle to learn English for many years. maybe you around a long. long time in the maze of rules of English grammar. perhaps the progress of time so that you awaken to the truth - the ultimate goal of the English learning not to meet the test. but in order to communicate successfully. you may already begun a new effort. then your understanding and efforts are a good start! saying goes: See what people say anything. what mountain. what songs . the same words a few. Where the people and mountain in the middle finger of the theory of communicative teaching is a scenario: few is a mean (1) a variety of (X) expression method. Impossible to decent language learning language do not pay attention to communication scenarios; learning languages ??do not pay attention...
