Making your own soaps at home has never been so easy with simple Step by Step methods! Enjoy the luxury of homemade natural soaps How many times have you brought a bar of artisan or home-crafted soap to your nose and inhaled the scent and lightly traced your finger over the texture of the bar, thinking to yourself how wonderful it would be if you were only able to make soaps like that yourself at home. If you are anything like me, that exact scenario has happened, but I always backed away from soap making thinking it was just too difficult. That was until I learned just how easy and enjoyable home soap making can be. All you need to get started is a little guidance from a trusted friend, and that is exactly what you will find in this book. Soap making is an age-old craft, one that allows you creative expression and a sense of satisfaction. Within this book, the beginning soap maker will find everything that they need to start their crafting journey. From an introduction to commonly used terms to understanding and simplifying the process of creating your very own soap recipes, this book will help you along every step of the way, with clear and simple advice that isn't clouded with overly technical talk or chemistry lessons. You can now craft all of the beautiful, pure soaps that you have imagined with ease and pleasure. Inside find all the information to make soap making easy, affordable and contribute to your wellbeing and of your loved one. Organic homemade soap are the perfect gifts for friends and family. And who knows, maybe a new business! Here...
