

The genuine book] toward the mission and the pursuit of educators - teachers(Chinese Edition)

Filesize: 2.31 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pub Date :2011-08 Pages: 184 Publisher: Jilin University Press sheet: 12 Description early 20th century. the Age of Enlightenment. the modernization of education in China. the People's educator Tao in its first-class educator. . rallying to the people calling: China's modernization of education need to have a creative spirit and open up the spirit of a first-class educator. the beginning of the 21st century. in the government work report. Premier Wen Jiabao of the People's Republic of China should vigorously advocate school educators . to train a competent and honest teachers. a large number of outstanding educators. China is known as the fine cultural traditions of the school educators. in recent years. although the emergence of a large number of teacher. principals. but today can be referred to as educator but if the stars Liao. the middle is both historical reasons. the current education system. To promote school educators to encourage more front-line teachers and principals growth as educators. we must first educator rectification of names that let educator out of the excessive mysterious. so that more people from the ancient and modern excellent education. teacher. school heads. who. the idea of ??an educator. and thus be able to discover and encourage educators around (including itself). and strive to grow into tomorrow's educator. The book named toward the mission and the pursuit of educators - teachers. mainly showed that the orientation and the pursuit of a value. that teachers and principals should make efforts to become an educator first. rather than a Jiaoshu Jiang . or education officials. Education is a highly specialized social and public utilities. education in the healthy development of the urgent need for a...
