Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SAGE Publications Ltd. Paperback. Book Condition: New. Paperback. 952 pages. Dimensions: 10.4in. x 7.6in. x 1.4in. Unrivalled in the way it makes the teaching of statistics compelling and accessible to even the most anxious of students, the only statistics textbook you and your students will ever need just got better! Andy Fields comprehensive and bestselling *Discovering Statistics Using SPSS* 4th Edition takes students from introductory statistical concepts through very advanced concepts, incorporating SPSS throughout. The Fourth Edition focuses on providing essential content updates, better accessibility to key features, more instructor resources, and more content specific to select disciplines. It also incorporates powerful new digital developments on the textbooks companion website (visit sagepub.com for more information). WebAssign The Fourth Edition will be available on WebAssign, allowing instructors to produce and manage assignments with their students online using a grade book that allows them to track and monitor students progress. Students receive unlimited practice using a combination of approximately 2000 multiple choice and algorithmic questions. WebAssign provided students with instant feedback and links directly to the accompanying eBook section where the concept was covered, allowing students to find the correct solution. SAGE MobileStudy SAGE MobileStudy allows students equipped with smartphones and tablets to access select material, such as Cramming Sams Study Tips, anywhere they receive mobile service. With QR codes included throughout the text, its easy for students to get right to the section they need to study, allowing them to continue their study from virtually anywhere, even when they are away from their printed copy of the text. Visit the publishers website to preview the MobileStudy site. Education and Sport Sciences instructor support materials with enhanced ones for Psychology, Business and Management and the Health sciences make the book even more relevant to a wider range of subjects across the social sciences...
