

England and the 1966 World Cup: A Cultural History (Paperback)

By John Hughson

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. England and the 1966 World Cup presents a cultural analysis of what is considered a key moment of modernity in the nation's post-war history. Regarded as having an importance beyond its primary sporting purpose, the World Cup in England is examined within the complexity of the cultural, social and political changes that characterised the mid-1960s. Yet, although addressing the importance of non-sport related connections, the book maintains a focus on football, discussing it as a cultural form and presenting an original perspective on the aesthetic accomplishment in football tactics by England's manager, Alf Ramsey. The study considers the World Cup in relation to the cup tradition, England as the World Cup host nation, the England squad and masculinity, the modernism of England's manager Alf Ramsey, design and commercial aspects of the World Cup, a critical engagement within existing academic accounts, and an examination of how England's victory has been remembered and commemorated. -- .
