Who Chains You, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On the far side of the Olympic Peninsula in Washington State, halfway between the mountains and the ocean, stands the little town of Forks. In that town, in a quiet neighborhood of modest homes and shabby businesses, there remains a dilapidated pink warehouse. Packed inside that warehouse, living in deplorable conditions, were once over 120 dogs. Some of the dogs were kept in crates piled high on shelves, arranged in rows along the walls, and shoved into corners behind heaps of garbage and urine-saturated straw. Some of the dogs were confined to wire-sided or glassed-in kennels. One was kept in an old horse trailer. Dead ones were stored in a cooler. In one of the crates was a black dog named Daisy. This is her story. It is also the story of the rescue of one hundred and twenty-four dogs-and one snake-from the Olympic Animal Sanctuary, the only large-scale dog rescue in the U.S. to be carried out with no support from local government. The OAS rescue was an epic narrative that extended over several years and featured small town politics, protests, assault, lawsuits, arrests, and a midnight escape, all played out to a nationwide audience.
