Krause. 1 Paperback(s), 2014. soft. Book Condition: New. Yes, this is a quilting book with a dozen projects for making unusual contemporary quilts. But fabric designer Thomas Knauer also explores the idea of why we quilt, and the meaning behind our own quilts as a personal art. He shows how inspiration can come from anywhere, including your thoughts on current issues, your bond with your community, your relationship to traditional quilting, or even a sweet comment made by a child. Knauer also shows how to incorporate everyday motifs from barcodes to cinderblocks into the design, or use symbolic colors and prints. 128.
