Dogen Sangha Publications, United Kingdom, 2009. Paperback. Book Condition: New. 4th Revised edition. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Buddhist masters of the past have explained the relationship between Buddhist theory and the Truth by way of a simple metaphor. The Truth, they say, is like the distant moon. Ideas, theories, and explanations are merely fingers pointing at that far-away goal. They are not, and can never be, the moon itself. So this book is one such finger, a finger pointing at the moon, but the moon itself can be touched by you alone. The Buddhism which emerges from To Meet the Real Dragon is Buddhism for real people: ordinary human beings with ordinary human problems. It is humanistic Zen--Zen for human beings. Here are a few of the topics covered by this very readable book: What is Religion, Meeting a True Master, Master Dogen, Science and Buddhism, Idealism and Materialism, Gautama Buddha, The Four Noble Truths, The Transmission of the Truth, Cause and Effect, Not Doing Wrong, Action: The Center of Buddhism, Zazen, The Four Philosophies.
